

# EARTHWORM JIM WORMS HIS WAY INTO WARNER BROS. CARTOON SERIES

Saturday mornings might be welcoming a new show. When you see the first episode of the *Earthworm Jim* cartoon series, you'll be hooked!

The animations for the 13 episodes are currently being completed in Korea. The first episode will air Sept. 9 at 9 a.m.

These pictures are from the test animations that were shown to Warner Bros. in order to sell them on the show.

If gamers and the cartoon-watching public like the cartoon, it could be picked up for 65 more episodes.

When Jim comes out of his hiding spot, we'll have all the latest information for you.

The first episode of the *EWJ* cartoon series airs Sept. 9 on the Warner Bros. Kids network. Call your cable company to find out the time and channel in your area.
